Would you like help to prepare for your planning conversation or the review of your NDIS plan?

Are you unsure of what an NDIS planning conversation might look like?

The NDIA are running regular workshops throughout 2014 for families and carer’s to help them understand NDIS processes.

Workshops start from the first week in August 2014, and will be held:

- 9:30am to 11:00am - Thursday mornings; and

In these sessions we will:

- Explain and assist you to prepare for the planning conversation
- Help you identify and access mainstream supports in your area
- Help you understand how we make decisions about reasonable and necessary funded supports.
